Florida Keys Mosquito Control Board Approves ‘ROLLBACK’ Millage and Budget for Fiscal Year 2026-2027

The Florida Keys Mosquito Control District’s (FKMCD) five-member board convened a Public Hearing Tuesday, September 15 and unanimously approved an adjusted millage rate and budget for fiscal year (FY) 2026-2027.

The FKMCD board approved an annual millage rate of **0.3777** for FY 2026-2027 which begins on October 1.

The rate, which represents a ‘rollback’ of the FY 25-26 budget, generating \$19,974,774 in ad valorem tax revenue for FKMCD, which is the same amount collected the previous fiscal year.

Officials from the Florida Keys Mosquito Control District say the 2026-2027 millage rate and budget demonstrate a continued trend of fiscal responsibility and mindful spending while continuing to prioritize protection of public health and the district’s mission.

About the Florida Keys Mosquito Control District

The mission of the Florida Keys Mosquito Control District is to protect the public from health threats and nuisance issues that impact the local economy by utilizing control methods that are efficient, effective and environmentally sensitive.
